- a. Discussion with City Council & Staff
- b. Public Input
- c. Additional Discussion with City Council & Staff
- d. Council Action or Direction to Staff

4.1. Public Hearing – Establishment of City of Fernley Redevelopment Project Area No. 1

Assistant to the City Manager Colleen Unterbrink presented this item and stated that the City had been through an extensive process, with many meetings, presentations and workshops over the last 20 months. She stated that the City had accepted the Preliminary Redevelopment Plan and the Preliminary Owner Participation Agreement (Planning

Commission 11/2018 and City Council 12/2018); proposed final Redevelopment Plan and LPA Rules (Planning Commission 12/2018); and the Business Impact Statement adopting the Redevelopment Plan and Establishing Fernley Redevelopment Project Area no. 1 (City Council 2/2019), thus far.

Mrs. Unterbrink stated that notices were sent to parcels within the proposed redevelopment area and legal notices were published to notify of the scheduled public hearing. Because of a concern brought forth to staff regarding the data used to issue the notices, staff recommended a continuance of this item until Thursday March 14th at 6 pm. Staff also recommended that the public hearing continue during this meeting to allow those present the opportunity to contribute if they chose to.

Councilwoman Sue Seidl asked about eminent domain and bonds associated with redevelopment. Redevelopment Attorney Doug Thornley explained how eminent domain works in the State of Nevada and how the bonds would be handled; discussion ensued.

Councilman Ray Lacy expressed concern with developers not completing projects and the City being liable for it. He also expressed concern with the 30-year time frame in the redevelopment. Mr. Thornley stated the City would not be liable for incomplete projects and gave specifics of how the redevelopment district would work. City Manager Daphne Hooper stated that growth takes time and briefly explained what could be expected over the next 30 years.

Mayor Roy Edgington stated that the current process has been in play for over 2 and a half years and that numerous meetings and workshops have been held. He also stated that the City is following NRS with the redevelopment district and that it is a tool that would allow the City to plan ahead and invest in itself.

Public Input

Cal Eilrich, developer and resident spoke in support of redevelopment.

Greg Evangelatos, professional City Planner, spoke in support of redevelopment.

James Johnson, resident, stated the redevelopment is vague and he has concerns regarding the residential/industrial area.

Curtis Fullenwider, resident, spoke against redevelopment.

Clarence Shields, resident, spoke against redevelopment.

Jim Cutler, resident, thanked Council and staff, spoke against redevelopment district as is, and asked for clarification since the project language seems vague.

Richard Bartholet, University of Nevada Reno redevelopment professional, spoke in support of redevelopment.

Jessica Gosetiner, resident, spoke against the redevelopment and expressed some concerns.

Scott Erwin, resident, stated concerns with the redevelopment district and blight.

Gary Nielsen expressed concerns over funding and asked who would pay for the wages on the redevelopment district staff.

Cody Wagner, resident, spoke in support of redevelopment and stated a concern regarding consolidated tax revenue.

William Shattuck, resident, spoke in support of redevelopment.

JP Smith stated that developers would be interested in investing in the City and spoke in support of redevelopment.

Marsha Davey, resident, stated concerns with the redevelopment district and what it will mean to the future.

Dave Sampson, spoke of being concern regarding the power that the redevelopment district will have.

Terry Smith, resident, stated concern regarding the rules in the redevelopment district.

Joe Busack, resident, concerned with the vague nature of redevelopment.

Debrah Moore, resident, stated that she was not notified of the redevelopment.

Joe Grisham, resident, spoke in support of redevelopment and stated concerns with his neighborhood.

Paul Mendoza, resident, requested that the City take time to take in to account historical buildings.

Kevin Standley, resident, spoke in support of redevelopment.

Assistant to City Manager Unterbrink entered 2 letters into the record, one from Union Pacific Rail Road and one from Merilyn Skender (attached).

Councilman Ray Lacy asked if mailings can be addressed differently to include OR CURRENT PROPERTY OWNER.

Motion: MOVE TO CONTINUE THE REDEVELOPMENT MEETING ON MARCH 14TH AT 5 PM., **ACTION:** APPROVE, **MOVED BY** Councilwoman Sue Seidl, **Seconded by** Councilman Ray Lacy. **Vote:** Motion carried by unanimous roll call vote (**summary:** Yes = 5). **Yes:** Councilman Ray Lacy, Councilman Dan McCassie, Councilman Stan Lau, Councilwoman Fran McKay, Councilwoman Sue Seidl.

5. STAFF REPORTS

5.1. Discussion and Possible Action to Approve the City of Fernley's Maximum Allowed Operating Property Tax Rate to be Levied for Fiscal Year 2020 and for Submission to the Department of Taxation.

Finance Director Denise Lewis presented this item, noting that on February of each year the Department of Taxation establishes the preliminary maximum property tax rate for all agencies. The City of Fernley rate for 2020 will be 67.27 cent, which is up from 67.18 cents for 2019.

Motion: I MOVE TO APPROVE THE CITY OF FERNLEY'S MAXIMUM ALLOWED OPERATING PROPERTY TAX RATE TO BE LEVIED FOR FISCAL YEAR 2020 AND FOR SUBMISSION TO THE DEPARTMENT OF TAXATION TO 0.6727. **Action:** Approve, **Moved by** Councilman Stan Lau, **Seconded by** Councilwoman Sue Seidl. **Vote:** Motion carried by unanimous roll call vote (**summary:** Yes = 5). **Yes:** Councilman Ray Lacy, Councilman Stan Lau, Councilwoman Fran McKay, Councilman Dan McCassie, Councilwoman Sue Seidl.

6. ITEMS REQUESTED BY MAYOR OR CITY COUNCIL MEMBERS:

6.1. Discussion and possible action regarding a future agenda item to revise the list of approved future agenda items. (Councilwoman Seidl's request)

Motion: MOVE TO BRING BACK A FUTURE AGENDA ITEM TO DISCUSS ALL OF THE AGENDA ITEMS THAT ARE PENDING AND DISCUSS WHETHER OR NOT TO PROCEED WITH THEM., **Action:** Approve, **Moved by** Councilwoman Sue Seidl, **Seconded by** Councilman Stan Lau. **Vote:** Motion carried by unanimous roll call vote (**summary:** Yes = 5). **Yes:** Councilman Ray Lacy, Councilman Stan Lau, Councilwoman Fran McKay, Councilman Dan McCassie, Councilwoman Sue Seidl.

6.2. Discussion and possible action regarding a future agenda item to use the Excise Tax from marijuana to help Lyon County Human Services. (Mayor Edgington's request)

Mayor Roy Edgington presented this item.

Councilwoman Sue Seidl stated she would like to see the statistics and NRS associated with this future agenda item.

Councilman Ray Lacy asked for clarification on the numbers. City Manager Daphne Hooper will sit down with the Councilman Lacy to go into details.

Motion: MOVE TO BRING BACK ITEM FOR COUNCIL TO HEAR THIS AGENDA ITEM INCLUDING ALL THE STATISTICS AND INFORMATION AVAILABLE., **Action:** Approve, **Moved by** Councilwoman Sue Seidl, **Seconded by** Councilman Stan Lau. **Vote:** Motion carried by unanimous roll call vote (**summary:** Yes = 5). **Yes:** Councilman Ray Lacy, Councilman Stan Lau, Councilwoman Fran McKay, Councilman Dan McCassie, Councilwoman Sue Seidl.

Re: Comments regarding application for a change in zoning from City of Fernley, for the Redevelopment Project Area No. 1 (the "Application")

Dear Ms. Unterbrink:

Thank you for allowing Union Pacific Railroad Company ("UP") the opportunity to submit the following comments in response to the notice on the above-referenced Application. UP is a Delaware corporation that owns and operates a common carrier railroad network in the western half of the United States, including the State of Nevada. UP's rail network is vital to the economic health of Nevada and the nation as a whole and its rail service to customers in the Lyon County area is crucial to the future success and growth of those customers.

The proposed location that is the subject of the Application, namely the Redevelopment Project Area No. 1 in the City of Fernley ("Location"), is adjacent to UP's operating property. Any land planning decisions should consider that train volumes near the Location may increase in the future. UP also asks that the City and the applicant keep in mind that this is a vital rail corridor and nearby land uses should be compatible with this continuing rail use.

Increased Traffic Impact and Safety Concerns

The safety of UP's employees, customers, adjoining land owners, and the communities we operate through is our top priority. Any increase in traffic from the proposed change may render inadequate the current safety devices in place on any nearby at-grade crossings. Additionally, an increase of pedestrian and vehicular traffic may conflict with train operations causing trains to proceed more slowly through the area, and/or make more frequent emergency stops, which would make rail service less effective and efficient. Should this Application be approved, UP requests that the applicant, developer and the City examine any increase in vehicular and pedestrian traffic and the impacts on any nearby at-grade road crossings to see if any additional mitigation measures should be included.

Use of UP Right-of-Way

UP is concerned that any construction equipment used in this project at this Location will impede its right-of-way. UP objects to any use of its right-of-way that is not separately approved by the

UP real estate department. UP must maintain sufficient right-of-way for future railroad expansion or connection track. UP also requires its land be retained for maintenance purposes.

Trespassing

Any increase in pedestrian traffic may increase the likelihood of trespassing onto the railroad right-of-way. UP requests that the developer and the City examine the impacts associated with the increased likelihood of trespassing in this Location and consider appropriate mitigation measures. For example, vandal resistant fencing at least 8 feet or taller (without impairing visibility), pavement markings and “no trespassing” signs designed to prevent individuals from trespassing onto the railroad tracks should be considered. Buffers and setbacks should also be required adjacent to the right-of-way.

Noise and Vibration Impact

UP’s 24-hour rail operations generate the noise and vibration one would expect from an active railway. Any increase in pedestrian and vehicular traffic may result in additional horn use by railroad employees. As a mitigation measure, the City should consider and make the public aware of the daytime and nighttime noise levels naturally occurring with rail service, including sounding horns at vehicle crossings where required, as well as the pre-existing and predictably-occurring vibration. These disclosures should note that train volume may increase in the future. The Application’s development plans should also include appropriate mitigation measures, such as construction of sound barrier walls or landscape buffers, and/or use of sound-proofing materials and techniques.

Drainage and Project Construction

UP requests the City ensure that the drainage plan relating to the Project does not shift storm water drainage toward UP property and infrastructure. Any runoff onto UP’s property may cause damage to its facilities resulting in a potential public safety issue. If the Project is approved, we ask that the City require the developer to mitigate all safety risks and the impacts of the railroad’s 24-hour operations during the construction of the Project, including contacting UP to arrange for flaggers for work performed within twenty-five feet (25’) of the nearest track.

UP appreciates the applicant and the City giving due consideration to the above concerns, as this proposed Application may result in impacts to land use and public safety. Please give notice to UP of all future hearings and other matters with respect to the Application as follows:

Re: Objection to City of Fernley Redevelopment Agency, Redevelopment Plan for
Redevelopment Project Area No. 1 – City of Fernley, Nevada (Redevelopment Plan) and
Owners Participation Agreement/Rules
Hearing date February 20, 2018

Dear Council Members:

I am the manager of Hocus Pocus Investments, LLC (HPI). HPI owns three (3) parcels of land located at 30, 50 & 60 East Main St., Fernley, NV having AP Nos. 020-021-05, 06 & 07. I enclose copies of the Lyon County Assessor's Parcel Detail for each of these parcels which clearly indicates that the mailing address is my address above. I relocated my office almost a year ago at the end of February 2018 and promptly notified the Lyon County Assessor of my change in mailing address.

NRS 279.580 states that the notice of hearing must be mailed to the last known owner of each parcel of land in the area designated in the redevelopment plan, at his or her last known address as shown by the records of the assessor for the community.

I just recently received a notice of hearing (which indicates that the date of the initial notice was January 12, 2019) addressed to Hocus Pocus Investment, LLC, Property Owner, APN 020-021-007, 5420 Kietzke LN STE 108, Reno, NV 8951. By chance this notice was forwarded by the post office to my new address even though my forwarding notice had expired. I received no notice of the hearing for AP Nos. 020-021-05 & 06. Notice was not sent to my last known address as listed with the Lyon County Assessor. Therefore, I object to approval of the Redevelopment Plan because of improper notice of the hearing per NRS 279.580.

I made inquiry of this mailing process with Colleen Unterbrink, Assistant to the City Manager, City of Fernley, by telephone today. She stated that this process started 20 months ago and the property owners' addresses from that 20 month old list were being used to send notices of the hearing. So, properties that were sold or owners who changed mailing addresses during

this 20 month period also would not have received notice by mail at his or her last known address as shown by the records of the assessor for the community, as required by NRS 279.580.

In addition to my above objection, I object to the scale and breathe of the Redevelopment Plan, 4,012 acres, 6.27 sq. miles. A Redevelopment Plan should be very focused in purpose and limited in area. It appears that large portions are vacant land. If one purpose of the plan is to remedy social and economic blight conditions, how does vacant land qualify as "blight."

I also object to the proposed Owners Participation Agreement/Rules which give the Agency "sole discretion" and "sole and absolute discretion" to make certain decisions. No governmental agency should be beyond review of its decisions. Further, discretion should be held to the "reasonable" standard, i.e., in "its reasonable discretion." With the existing language of "sole discretion" and "sole and absolute discretion," it leaves open the possibility that Owners' Participant Agreements could be forced upon an owner by an Agency over eager in its desire to make over a "blighted" area of the City.

Lastly, if the City/ Agency wants to make over an area, how are they going to get the first property owner to be the "first on one on the block." If an owner invests in improvements to a parcel in a blighted area and others do not, there will be no return on that investment in a future sale of the parcel because it may be the only improved parcel in an otherwise blighted area. I realize that the Plan has the usually language that everything has to meet all other applicable laws and regulations, etc. but I worry that is not going to protect property and business owners, who do want to make improvements to their properties, from having to make a larger investment than may be justified by the profitability of the business and the area to stay in business. I am personally aware of this issue because HPI is in the process of making improvements to its property on East Main St.

Please note my objections on the record at the February 20, 2019 hearing.

Sincerely,

Marilyn L. Skender
