

**CITY OF FERNLEY**  
**WATER, SEWER, AND NON-POTABLE WATER**  
**CONNECTION AND BILLING INFORMATION**

- 1) **Residential Water Connection Fee \$5,165.00** for each single family residential unit or for each unit in individually metered multifamily residential development. **Residential Wastewater Connection Fee \$3,474.00** for each single family residential unit or for each unit in individually metered multifamily residential development.
- 2) The Water and Wastewater Connection Fee for Commercial/Industrial Connections is based on equivalent residential capacity units. One ERC unit is equivalent to 1 single-family residential unit or 1000 gallons of water per day and/or 345 gallons of discharged wastewater per day. The Connection fees for commercial/industrial connections are calculated by taking the usage per day and dividing it by the ERC of 1000 gallons/day (Water) and/or 345 gallons/day (Wastewater) and then multiplying that figure by the existing single family residential connection fee.
- 3) For calculations of all Commercial/Industrial accounts, the applicant must provide the City of Fernley with expected usage and discharge volume information certified by a Civil Engineer, register in the State of Nevada, and an approved stamped set of drawings.
- 4) To calculate the hotel/motel connection fee, 3 motel/hotel units shall be equivalent of 1 single family residential unit or ERC.

**METER INSTALLATION CHARGES:**

<b>Meter Sizes</b>		
	¾"	\$415.00
	1"	\$505.00
	1 ½"	\$770.00
	2"	\$970.00

Developments requiring a meter larger than 2" are required to have an approved contractor install the meter; at the Developers sole cost and expense. In addition, the developer is required to pay the City \$260 for materials (ex. MXU, lock, etc) and labor for the MXU installation and Meter Inspection.

**IN-LIEU OF WATER RIGHTS FEES:**

In the event that a fee in lieu of dedication of water rights is allowed, said fee shall be the market rate, which may be amended by resolution of the Council. (Per City of Fernley Ordinance #2004-006 and #2004-019)

**ALTERNATIVE WATER SYSTEM INFRASTRUCTURE CONNECTION FEE**

The City will charge a system development fee of \$1300 per unit (ERC) on those developments that have been required to install piping for the alternative water system (non-potable or purple pipe). (Per City of Fernley Resolution #04-008)

\* The reconnection fees are reduced to \$25 per City Council decision on December 17, 2014
