

The purpose of this survey is to help Lyon County Human Services (LCHS) develop a strategic plan to enhance the well-being of individuals across the lifespan. Your input will help determine the direction of LCHS. Thank you for taking this opportunity to tell us what services will help residents of Lyon county live safe, secure, healthy lives and/or help individuals live as independently as possible. The information you provide will remain confidential.

How/Where to submit: Submit by December 31, 2018

- Online at www.lyon-county.org/175/Human-Services
- Mail to Lyon County Human Services, 620 Lake Avenue, Silver Springs, NV 89429
- Email to LCHS@lyon-county.org
- Dropped off at any LCHS office/Senior Center

How Would You Rank the Needs of Lyon County Residents?

3. Please make a selection along the scale that most closely matches how you feel about the preceding need.

Behavioral Health Services Prevention activities to help people in situations of crisis: sexual assault, suicide, substance abuse, physical and mental abuse.	Least Important	1	2	3	4	5	Most Important
Dental Care Affording the cost of care, being able to find and visit a dentist or specialist, and finding insurance coverage.	Least Important	1	2	3	4	5	Most Important
Education Education outside of the public school system for all ages. Examples are pre-school, after-school tutoring, English as a Second Language, and General Education Diplomas (GEDs) for people who did not graduate from high school.	Least Important	1	2	3	4	5	Most Important
Basic Services Help paying for rent and utilities, general financial help, and other basics that an individual or family cannot afford like clothing, school supplies or household goods.	Least Important	1	2	3	4	5	Most Important
Help Finding Information Usually provided by call centers and resource centers that understand the services available through public and private organizations and can direct people to the correct program.	Least Important	1	2	3	4	5	Most Important
Health Care Physical and mental health care, finding a doctor, affording care, getting insurance coverage, and help applying for benefits like Medicaid, Medicare and Nevada Check-Up.	Least Important	1	2	3	4	5	Most Important
Employment Help with resumes, job training, help with job searches, and anything else that might help an unemployed or underemployed individual get a job.	Least Important	1	2	3	4	5	Most Important
Housing Subsidized housing, emergency shelters, homeless services, and the general lack of affordable housing in some communities.	Least Important	1	2	3	4	5	Most Important
Hunger/Food Emergency food, help applying for benefits like the Supplemental Nutrition Assistance Program (SNAP), and education about nutrition.	Least Important	1	2	3	4	5	Most Important
Protective Services Programs that help prevent domestic violence, child or elder abuse and neglect, and other forms of exploitation, as well as services that help victims recover from these crimes.	Least Important	1	2	3	4	5	Most Important
Substance Abuse Services Prevention activities to help people avoid problems with alcohol and drugs, and also services that help people stop abusing alcohol and drugs.	Least Important	1	2	3	4	5	Most Important
Support for Persons with Disabilities and their Caregivers Services for people of all ages. Usually includes help that gives caregivers a break (respite), in-home services like housekeeping and meal preparation, and other services that improve a person's ability to live independently in the community.	Least Important	1	2	3	4	5	Most Important
Transportation Bus passes, gasoline gift cards, taxi vouchers, transportation for persons with disabilities, and other help getting around.	Least Important	1	2	3	4	5	Most Important
